Act. 1

Set-ting out with the white rabbit

Hello! I'm Little Red Riding Hood!

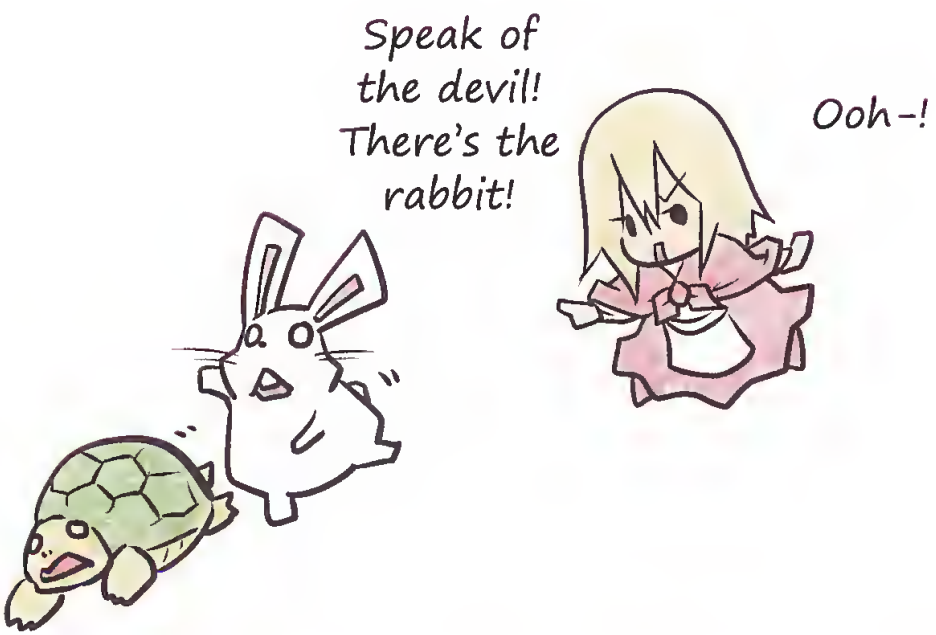
Hmm? What happened to my hood, you ask?

You'll know if you've read the previous book!

Call me Alice just for now!

I'm waiting to see if a rabbit will come running past.

!



Speak of the devil! There's the rabbit!
Ooh-!

I won't!! I betted ten thousand bucks that I'd win this race!

Wait up!

Huff... puff...

I got you-!

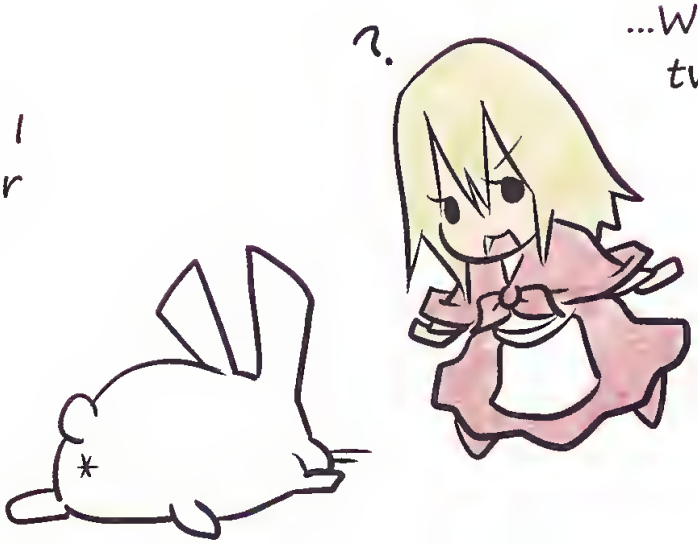
Oof!!

How cruel... I was racing with the tortoise, you know. Argh... I'll never catch up now..

Hey Mister Rabbit! What are you doing!?

...Huh? I wonder why.

...Why were you two racing?



Eeehh!!

You should've caught that tortoise instead, then...

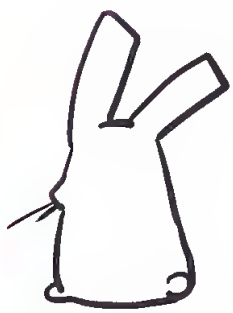
Great, take me to the Dragon God's Palace!!

You're free too, right, Mister Rabbit?

Well then, that's fine too!

Bring me to Wonderland!!

When you have Alice and a rabbit together, isn't the destination usually Wonderland?



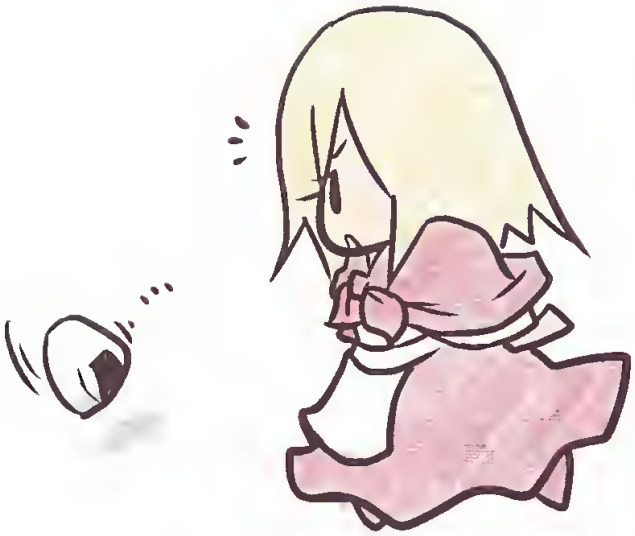
...

A hole, I see!
I wonder if
there's a hole
somewhere!

Wonderland's the
place where Alice
ends up after falling
through a hole, isn't it?

I think that's
the wrong
method to
go about
doing it.

Hole~!
Where are you~!
Appear!
I want to enter
a hole if there's one!

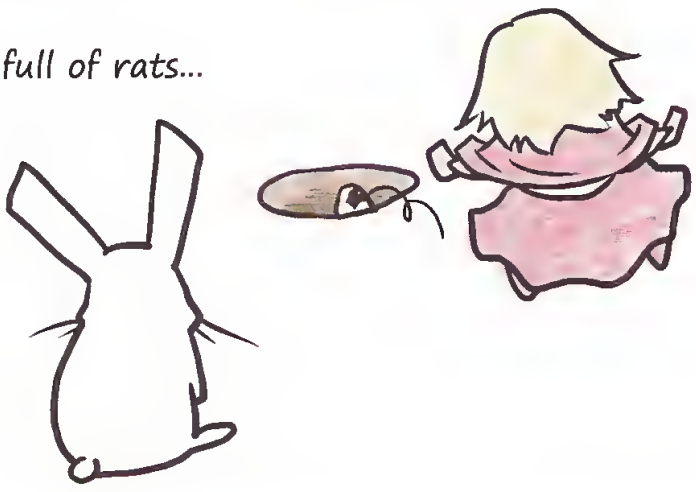


It doesn't seem like it connects to Wonderland...

Let's enter this hole, Mister Rabbit!

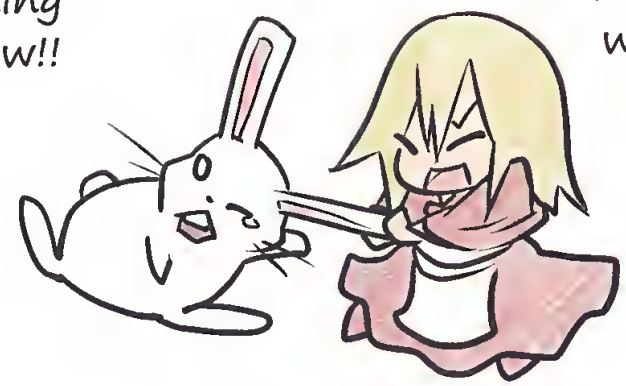
A hole!!

I'll bet it's full of rats...



That last statement was pushing it... Ow ow!!

Even so, a place full of rats is a dream world in itself!



Aahhhh!

Just go!

What should I do? Should I go back?

Oooohh.. it's really deep...

Here I go!

Nope, I guess I'll try entering it!
